**PARTICIPANT: \$900**

**BOARD: \$25 per day**

***H**arry Whitney prefers not to call himself a horse trainer. Instead, he's simply someone who sees things from the horse's point of view—someone fluent in the language of horses.*

*A perceptive, kind, and clear instructor, Harry is able to help folks understand their horses—not only for their benefit, but for the benefit of their horses.*

*Harry has been featured in Equus Magazine, The Whole Horse Journal, Western Horseman, Quarter Horse Journal, and other publications, but you'll benefit the most by coming out to meet and watch Harry in person.*

*Harry Whitney clinics have the enthusiastic recommendation of a wide variety of breeding farms and professionals in the horse industry, including people involved in cutters, reiners, Paso Finos, Peruvians, Foxtrotters, Arabians, Quarter Horses, endurance, dressage, and High School and therapeutic riding.*

*Clinic format will be 7 riders. We will start with individual sessions, and as the week goes by we may ride as a group. The focus is for each participant to be able to get plenty of time with Harry each day.*
